

Performance Measurement: Frameworks

Have other agencies created frameworks for measuring performance?

- [Reports on the Government Performance and Results Act](#), General Accounting Office.
- GovExec.com features resources, news items, and special reports on the Government's efforts to manage for results: www.govexec.com/gpra/
- [Results-Oriented Assistance: A USAID Sourcebook](#)
- [Establishing an Integrated Performance Measurement System](#), Volume 2, Performance-Based Management Handbook, Performance-Based Management Special Interest Group (for the Department of Energy). Additional performance measurement resources by this organization can be found at www.orau.gov/pbm
